**Project Manager & Community Ecologist OR Postcode Gardener**

Thank you for expressing an interest in applying for the post of Project Manager & Community Ecologist, OR Postcode Gardener, with ecoACTIVE.

Using money raised by National Lottery players, The National Lottery Heritage Fund supports projects that connect people and communities with the UK's heritage. The Hackney Buzzline is made possible with The National Lottery Heritage Fund. Thanks to National Lottery players, we will create a four km pollinator corridor connecting four parks in Hackney through three social housing estates. The parks are local sites of importance for nature conservation. We will build the corridor by sowing wildflower meadows, planting flower beds and creating 'stepping-stone' habitats and monitoring their impact on pollinator diversity.

The project will run from May 2024 - March 2027. For further information about the project, and about ecoACTIVE, please visit our website: <https://www.ecoactive.org.uk/hackney-buzzline>.

Our application pack includes:

- Job description
- Person specification

- Equality, Diversity & Inclusion policy and monitoring form
- Statement on the Recruitment of Ex-Offenders.

NB When completing the application form, please respond to each of the points in the person specification in the order they appear on the list, including the desirable qualities, if applicable.

Please return the application form and monitoring form by email to [jessica@ecoactive.org.uk](mailto:jessica@ecoactive.org.uk) or post before the closing date.
